The Oregon Insurance Division has proposed new rules implementing 2007 legislation (HB 2213) which requires insurers offering health benefit plans (defined to exclude Medicare but not Medicaid) to establish a procedure for providing to an enrollee an estimate of the portion of covered costs of a service or procedure for which the enrollee will be responsible. A hearing has been set for August 5, 2008, at 2:00 p.m. The last day for public comment is August 12, 2008.
